## PASTOR'S NOTE

I have great news! My recently purchased hope was quite successful. Isn't that great? What? You don't understand? This sounds a bit strange? Well, yes, I must admit it does. Let me back up and tell you a story.

My GPS was in the need of a map update, but I quickly figured out that it was to my advantage to purchase an updated GPS as well. So, in preparation for my recent trip, I did. I then encountered a problem; I needed a name. My past GPS was named Lola, but Lola 2 did not quite seem to fit. Someone suggested the name hope. I thought about it for a bit, and before long, my GPS had a new name...hope.

That got me thinking about hope. Wikipedia defines hope as "the emotional state which promotes the belief in a positive outcome related to events and circumstances in one's life. Despair is the opposite of hope. Hope is the "feeling that what is wanted can be had or that events will turn out for the best" or the act of "look[ing] forward to something with desire and reasonable confidence" or "feel[ing] that something desired may happen". Other definitions are "to cherish a desire with anticipation"; "to desire with expectation of obtainment";

or "to expect with confidence". In the English language the word can be used as either a noun or a verb, although hope as a concept has a similar meaning in either use." (<http://en.wikipedia.org/wiki/Hope>)

Simply put, hope gives us a goal. It helps us live into our faith.

Psalm 39:7 says, "And so, Lord, where do I put my hope? My only hope is in you." (NLT)

So, the GPS on my dashboard, while aptly named, is but a reminder of the true hope that exists for all of us. When I look at it for road instructions, I am also comforted to know that while hope is with me, it is also within me as well.

May each one of us find hope, peace and love as we continue to journey and experience the grace of God.

Blessings,  
Pastor Jen

In 1959 Richard married Nan DeCoster, and they recently celebrated 58 years of marriage. A natural-born salesman, Richard worked for many years as a manufacturers' representative for the General Cigar and Culbro Corporations, covering the entire state of Maine, Richard was a member of the Wayne Fire Department and the Wayne Community Church where he was on the Board of Trustees for many years. He marched in an impressive 58 consecutive Memorial Day Parades.
