## PASTOR'S NOTE

### Greetings,

The Son has risen, the sun is shining; it is a glorious day. Spring is coming to life around us and I am always amazed at what glorious wonders surround us! In particular, I find myself looking for butterflies. You see, butterflies were something that my mom always noticed. It has been six years since my mom died, but, since we just celebrated Mother's Day, she is on my mind. Memories are abundant, just as butterflies soon will be as well.

Butterflies represent hope, resurrection and love. They remind each of us of God's promises and blessings. This season, may we open our eyes and ears for those abundant blessings. *A Butterfly Blessing*

### Lord,

*Bless me with the ability of a butterfly to endure the changes that will happen to me in my lifetime. Help me to accept these changes with a positive and loving attitude.*

*Bless me with the beauty of a butterfly to allow me to reflect the colors of my soul, being and individuality, and to look for these things in others.*

*Bless me with the ability of a butterfly to create and instill the feeling of wonder, passion, and excitement towards all of your living creatures.*

*Bless me with the butterflies' ability to pollinate your flowers, so that I may cultivate your human garden with love and compassion.*

*Last, but not least, Lord, Bless me with the grace of ascension, so that I may ascend into your glorious heaven like a rising butterfly, when my journey here on earth, is complete.*

Amen

J. Dilts, 3-18-99 (<http://butterflywebsite.com/discover/blessing.htm>)

May we be blessed by God, butterflies and one another!

Grace and Peace,

Pastor Jen

Ever wonder why the pastor and a lay representative go to Annual Conference, or what the purpose of that yearly gathering is? If so, you are not alone. The Disciplinary purpose of Annual Conference is "to make disciples for Jesus Christ by equipping its local churches for ministry and by providing a connection for ministry beyond the local church, all to the glory of God."

According to Bishop Sudarshana Devadhar, "Our theme is 'Vital Conversations: Culture,' and we will be acknowledging and embracing the scriptural verses from Ephesians 4:11-13 as we prepare to 'equip the saints for the work of ministry' (Ephesians 4:12) using the various gifts all our clergy and laity have been given."

Through worship, prayer, displays as well as holy and vital conversations, we will explore what it means to be a saint, an agent of change. It is the Bishop's desire "that we - who are blessed to be here in New England among people of God from a variety of cultural, philosophical, and theological backgrounds - will arrive in Manchester having emptied ourselves, in the spirit of Jesus Christ, trusting and allowing the Holy Spirit to lead all our conversations, so we will depart Manchester having glorified our Creator God." After all, our Conference Vision is:

*"Transformed by the Holy Spirit, united in trust, we will proclaim Christ boldly to the world."*

However, you do not need to travel to New Hampshire to be a part of this. There will be a live stream available. You will be able to find this link on the Wayne Community Church Facebook page or through the New England Conference website ([www.neumc.org](http://www.neumc.org)). I invite you to join us, at least for the various worship services. It is a truly humbling and awe-inspiring experience to be with that many people praising God! If you have any questions, please contact the church office.

### LADD RECREATION CENTER NEWS

The Ladd summer camp will begin on Monday, June 25 and run until August 2 this summer. The programs will go home with the students on Friday, June 1st in their school folders. You can sign up for the classes anytime after this date during the Ladd center hours. If you have any questions about the camp, please call Donna at 685-4616.

I would like to thank all of the community members who have helped me run the Coffee and Conversation program. We have learned lots of new games and have enjoyed each other's company. This program will begin again in the Fall. We are looking for any suggestions of what day or time works best to involve more community members. Please call the center and let me know.

The playground and fields are open again for a wonderful summer season, the tennis courts are completed and are ready to use anytime. There are also two lined pickleball courts adjacent to the tennis courts for the community to enjoy. We have a pickleball set available at the center if you would like to borrow it, just come in and see Donna to obtain it. We will be redoing the basketball courts hopefully this August.

We ask that as you use these outside facilities you please take home any trash or items that you bring to the center. Unfortunately we have found glass, half filled bottles, and paper trash left behind from people using the property and we are trying our best to keep it clean for all to use. Also, pets are not allowed on the premises during afterschool or camp hours for the safety of all. Please bring baggies to clean up after your dogs on the fields so when the children are playing its on a clean surface.

Thank you for all of your support, we greatly appreciate it.

Dear Wonderful Wayne Families,

It is with a very heavy heart that I tell you that I will not be returning to teaching. This is a very difficult and painful decision, but it is the only one that I can make. My recovery is going well, but I do not have the energy or the stamina that it takes to be a good teacher. I have loved being a part of Wayne Elementary School for 25 years! I've loved sharing learning and life with all of my students and I will truly miss those experiences. It has been my privilege to be a part of so much daily joy, because in teaching, like no other profession, there is joy every day. Somebody learns something, does something or is excited about something every day, I have loved being a part of that! I am so lucky to live where I teach so I don't have to say good-bye completely. I will see you at all of our other favorite Wayne places: the Yacht Club, the Ladd Center, the farmers' market, the Cary Library, Pooh Bear, the General Store. We will never know how or why I got so sick but I do know that I got better because of all of you. Your cards, pictures, flowers, well-wishes and your homecoming cheers got me through my illness. I will be forever grateful for all of the visits and meals that you delivered over the course of last summer. Your waves and shouts when you see me out walking keep me working hard to get stronger. The doctors made me well again, but the Wayne community made me whole. I wouldn't be here without you.

Thank you all, with love, Lynette Stinneford

### RSU #38 UPDATE

On May 16, 2018 RSU #38 citizens met in the gymnasium at the Maranacook Community High School to review the warrant articles and approve the FY19 District Budget. Richard Spencer was elected as moderator in Article 1. Then Betty Morrell, RSU #38 School Board Chair explained the budget process and I shared a history of the RSU budget and state subsidy. Enrollment history was reviewed, showing an increase in enrollment of 22 students in FY18 over FY17. These documents are available on our website along with all of the other budget documents that have been used during the FY19 budget development process.

Articles 2 and 3 were approved without discussion. A question was asked about the \$0 request for CATC (Capital Area Technical Center) in Article 4. Currently state funding for CATC goes directly from the state to CATC. Several years ago the funding went to the school district and the district paid CATC, thus requiring a warrant article for the expenditure of that sum. No funding for CATC passes through the school district at this time. Article 4 was approved.

Articles 5 through 17 were approved without discussion. A supportive comment on the collaborative work between the RSU #38 School Board and the four town Select Boards was made regarding the addition of Article 18 last year authorizing the School Board to use the entire additional State subsidy to reduce local assessments. This warrant article was included as a result of the request by Select Boards at the joint RSU #38 School Board and Select Boards meeting. Last year additional monies received by the district were returned to the towns and local contributions were adjusted accordingly. Article 18 was approved.

Articles 19 and 20 were approved without discussion. A question about Article 21 was raised regarding funding received through grant monies such as Title IA, Title IIA, Title IV, Title V, Local Entitlement, Gear-Up and other miscellaneous grants. Article 21 was approved.

I would like to thank the citizens who attended the meeting and those who have participated in the FY19 budget development process. The referendum vote on the FY19 RSU #38 School Budget will be held at town voting places on June 12, 2018.

Sincerely,

Donna H. Wolfrom, Ed.D.  
Superintendent of Schools

### HISTORY NOTE FROM A WAYNE SUMMER RESIDENT

Vincent McCarthy, a Wayne summer resident for 40+ yrs. turned 80 on May 20. Also celebrating a birthday is the summer cottage, now 40 yrs. old. Built by Ed Jackson the winter of 1977 and added onto by George Bardaglio in 2000, the high A frame sits on a high bluff overlooking Pocasset Lake on the north side of Pickerel Pond. The McCarthy children, Brian and Neal now in their 50's, summered in Wayne since they were 14 and 15. Their daughter Katherine passed away in 2006 from brain cancer.

Vincent discovered Wayne when he frequently visited Sherwood Tribou, then a retired Army Colonel and an independent electrical engineering consultant. After renting the Mercier's fishing camps for 5 years, a rare lot came up for sale and an offer was accepted that very day. Construction started that same November and it was ready for occupancy by late April of 1978. Vincent enjoys sailing with his 14.5 Hunter sailboat and is a consistent tennis player during the summer season.

The Wayne Farmers' Market is celebrating its 10th season this year! Support your local farmers and producers every Saturday morning from Memorial Day weekend through Labor Day weekend, from 9 am to noon. You can fulfill many of your shopping needs - vegetables, herbs, meat, poultry, eggs, dairy products, baked goods, pepper jellies, pies, plants, flowers, goats' milk soap, natural skin care products, pottery and more. In addition to many of the products we've come to enjoy, there will be new people and new products this year.

Music will enhance the market most weeks and Sam Saunders will again be conducting cooking demonstrations, using products from the market vendors. Tasty free samples will be available, as we learn interesting ways to be creative cooks. There's nothing like talking face-to-face with the people who work hard to bring you the freshest and highest-quality foods, as well as other products for the home and garden!

The market is located on the green next to the post office on rte. #133, overlooking the mill pond.

### CYNTHIA PETTENGILL FINE ART GALLERY AND MAIN STREET ANNEX

Cynthia Pettengill, Fine Art Gallery, 1 Christmas Tree Lane, opens for the season from 4-7PM on May 26th. The Gallery enjoyed a wonderful year last year, and an awesome Holiday Stroll where we were able to renew old friendships, make new acquaintances, and share a love of art. Let's do it again! The opening show features the artwork of Elaine Graf, beloved area art teacher and multimedia artist. Other artists being featured this year in the main gallery will include: Cynthia Ahlstrin, Joan Edwards, Doris Anne Holman, Penny Markley, and Bia Winter. Presently, I am excited to announce that preparations are being made to open a Gallery Annex in the old Wayne Post Office on Main Street to display the artwork of several local, Maine artists, in hopes of bringing a greater awareness of the talent that surrounds us every day. Please plan to join us at openings and drop by the Annex to support our efforts to grow a broader Wayne Arts Community. Opening announcements will be posted around town, and on Facebook. Gallery hours will be Thursday and Friday evenings 6-8PM, and Sunday's 10AM-2PM, by appointment, or when the Open "flag" is present. ## **Wednesday June 6, 6:30PM: Meet a Maine Author Series Presents Earle G. Shettleworth Jr. Speaking about Maine in World War 1**

We are delighted to host Earle Shettleworth at the library. Mr. Shettleworth served as the director of the Maine Historic Preservation Commission for decades and as Maine's State Historian since 2004. His latest book describes how more than 35,000 Mainers joined the armed forces in 1917-1918 to fight with America's European allies against Germany. Maine citizens also provided vital support to the US and Allies through war-related industries such as shipbuilding, munitions, textiles and agriculture. The war may have been "over there" but its effects were experienced throughout the state.

We are honored to host this eminent historian, and cordially you join us in the library's lower level on Wed. June 6, 6:30PM.

**Maine Humanities Council's READ ME program:** Libraries all over Maine will be hosting book discussions and events around two Maine titles: CB Anderson's River Talk (fiction) and Susan Hand Shetterly's Settled in the Wild: Notes From the Edge of Town (non-fiction). Read more at <https://mainehumanities.org/read-me/>

**Our Brown Bag Book Discussion, Monday June 25, Noon, will center on River Talk** a collection of short stories about the way people in Maine actually live, now, today--"a small masterpiece" according to Paul Doiron. Join us for a lively discussion about these compelling stories. Lending copies will be available. In July we will be discussing the Shetterly title.

## **Travel Program: Chinese Politics and the Birthplace of Skiing, Tuesday June 19, 6:30 PM**

Maybe you thought skiing was invented in Maine, but not so. Whitney Thurlow returns for more stories of his adventure travels in a remote part of China where few Westerners venture. As a New Zealand transplant with Maine ties, he'll share his discovery of FUR skies where function is form and the rugged terrain gives new meaning to the term back country skiing.

Join us on **Tuesday June 19, 6:30** to welcome back Whitney. Whitney's talk last year about Peru delighted the audience, so mark your calendar. All welcome in the library's Lower Level.

**Summer Interns:** Our Summer Interns will be Helen Murray-James and Jr. Intern-in-Training Katie King.

**Summer Reading Club:** Our Summer Reading Club for kids (ages pre-school through middle school) begins **Wed. June 20**.
