News for the December Messenger is due by 5 pm November 15 at editorwcc@gmail.com. If you'd like to receive the Messenger via email, send your email address to editorwcc@gmail.com.

Greetings!

The leadership at Wayne Community Church sincerely hopes this wonderful autumn season finds you well in mind, body, and soul. As the leaves turn, it signals preparation for the harsher months ahead as well as the blessings that come from having to stay home by the hearth with friends and family.

Dexter Pond by Jane Davis

The church, too, is preparing. We have had some significant challenges over the year with needed upgrades to our physical space as well as the more emotional challenges of supporting our church, as well our Pastor Jen, as she takes an extended leave to optimize her health.

The church family has been working together in faith to keep our services seamless and to minister to the community as a whole as well as to individuals. Through kind hearts and gifts of time and love, the church members have cared for those who have been ill, those who have celebrations of life, funerals and weddings officiated and baptisms conveyed. We have seen rummage sales raise money and provide service to those most in need. Candy sales found their way as a tasty and wonderful ministry and mystery tours provided for fun and funds. Through those and other sources, needs were met to provide financial relief for food, housing and fuel assistance. There is a true sense of community here and we sincerely hope those who choose to attend church have felt an increasing connection and purpose, and those who support us from outside the church walls have witnessed a continued and growing love via the services we provide.

To that end, we now ask for your financial support. Your personal contribution will help us continue to do the less glamorous work of upkeep of our beautiful building as well as the direct support of many of the services you and your extended family have come to enjoy.

For those of you on a faith journey, giving represents a powerful way to deepen your trust in God. Giving prayerfully and significantly means you are trusting God first, and that trust almost always translates into good we can hardly imagine. Giving to institutions often leaves one frustrated, but giving to God without expectation means trusting He is in control. The more we let go and let God, the more we see His love and peace in this world that needs it so much.

We thank you for your thoughtful consideration of contributing to our church during this time of our stewardship campaign and throughout the year. As always, we encourage you to join us in worship, and bring gifts of time or talent that may be in your heart to share with us through our church.

May the grace of the Lord and the love of God be with you all,

Denise Boothby, Lay Leader

Michael Ladd, Chair of Finance Committee

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

2 Corinthians 9:7

AGING AT HOME NEWS NOVEMBER 2018

Hello good people of Wayne. Aging At Home wishes you a lovely and colorful fall.

Aging At Home (AAH) is a committee of the town of Wayne. Our objective is to help elders and those with disabilities remain at home as they age. Do you know someone who would like calls or visits, or a caregiver who would like some relief caring for a loved one? Someone who needs a helper? Please call and let us know.

Upcoming AAH events:

AAH regular meetings are on the third Wednesday of each month, 4-5 PM at the Cary Library. The next meeting is **November 14th** (note that this is the second week of November due to the Thanksgiving Holiday). If you have questions about our group, you are invited to attend our meeting to see what we are doing.

Our next (free) senior luncheon will be Wednesday Nov 7, at 11:30 AM at the Cary Library. If you plan to attend, please let me know. It is free for anyone, and especially dedicated to elders.

AAH is having a fun time presenting a series of classes teaching Tai Chi for Arthritis and Fall Prevention. While the classes are full now, they will be presented again, probably next fall. Stay tuned!

Aging At Home operates on a small budget. If you would like to contribute to the cost of luncheons, music events or other aspects of our endeavors, speak to a member of our board or send a check to the Town of Wayne, specifying that it is for Aging At Home. Thank you so much!
