By the time you read this letter, Lent will be almost over – and Easter will be just around the bend. But before we leave this sacred season behind, let's look again at the vital ways this Lent has been enriching.

It's given us the opportunity to take note of what happens when our focus is; not on giving up chocolate (so as to lose weight!), but on giving more love; (so as to better share Christ). In other words, when it's not on self-deprivation, but on spiritual fulfillment.

Lent began with Ash Wednesday, when those vivid black marks placed on our foreheads, were plain reminders that life is short; too short. Life is too short for resentment, and grudges; silent treatments, and self-pity. So, the days between Ash Wednesday and Easter afforded us the chance to make resolutions; to improve the quality of our lives by (again) choosing to live life Christ's way – with forgiveness and grace. The story below offers an illustration.

Once upon a time, a woman went to the doctor with a catalogue of complaints. Her physician examined her and deduced that there was nothing physically wrong with her.

Rather, he suspected that her problem was attitudinal; she was drowning in self-pity, and she had clearly feasted on a steady diet of resentments.

The wise physician took her to the office where his medicines were kept and showed her a shelf of empty bottles. "See those empty bottles", he said.

"I can take one of those bottles and fill it with poison – enough poison to prove fatal, if ingested. Or, I could take that same bottle, and fill it with a medication that could ease a throbbing headache, bring down a scorching fever, or fight lethal bacteria. I make the choice! I can fill it with whatever I choose." Then the doctor, looked her straight in the eye and said, "You choose. You decide how you are going to fill life's empty bottles."

Every single day, Christ gives us that choice; to fill our lives with negativity and spite or with generosity and affirmation. And interestingly enough, God makes our lives become like boomerangs; what we send out, comes back to us.

Wishing you God's best blessings,

Ruth Merriam, Rev. Dr.

Interim Pastor at The Wayne Community UMC

Rev. Angela will be coming to the Wayne Community Church from the Brackett Memorial United Methodist Church on Peaks Island. She enjoys working in small, rural settings. She is a strong preacher and a strong leader with excellent skills in helping churches through their visioning process. An important part of her ministry has been visitations and mission work, seeking a wider presence in the community. Pastor Angela has a gift for teaching children and adults and has offered classes for new members each year. And, she serves as an area chaplain, plans and leads retreats, and is on the Board of Ordained Ministry.

Below is a letter from Mid-Maine Pastors in response to the 2019 UMC General Conference.

## GENERAL CONFERENCE 2019 RESPONSE

### FROM UNITED METHODIST PASTORS IN MID-MAINE

March 22, 2019

#### **We're serving all God's children - United Methodist Pastors in Mid-Maine**

The United Methodist Church has been in the news lately. A global meeting recently affirmed and strengthened an exclusive stance against ordination and marriage of those identifying as LGBTQ+ and the allies who support them.

#### **We stand in opposition to this decision.**

We mourn with all who have been harmed by our denomination's stance and/or response to that stance. We will continue to prayerfully work to be a Church where no one is excluded.

If you or your family or friends are LGBTQ+, we are here for you. We commit to leading Christian communities where all are invited to experience the saving grace of Jesus Christ, to grow together in holiness of heart and life, and to discern and respond to God's call and purpose.

By God's grace we will encourage unity in our diversity, having the mind of Christ (Philippians 2:5). Our Methodist founder, John Wesley, said to friends with whom he disagreed, "If your heart be as mine, then give me your hand." The prayer of Jesus as he anticipated going to the cross was, "That all of them may be one, Father, just as you are in me and I am in you." (John 17:21 NIV)

We may not agree on some matters of doctrine or politics, but we seek to lead churches where everyone desiring to grow closer to God through Jesus Christ is welcome. Therefore, we invite into full participation in the life of the church people of every age, race, ethnicity, immigration status, gender identity, sexual orientation, family structure, marital status, economic status, political spectrum, physical or mental ability.

## Wayne's best kept secret, the ALICE IN WONDERLAND room, is moving!

Grace Burleigh's generous gift to the community of the entire Alice Room from her home, the Cary Memorial Library's acceptance of the gift, and the Mad Hatter committee's preservation efforts now bring us to the next step: *recreating the room to share the magic!*

The Cary Memorial Library's Board of Trustees recently voted unanimously to approve a building project for the Williams House barn. In a portion of the barn, the original Alice Room will be replicated and the 17 original wall-painted images of fantastical characters from the Alice story will be installed, after being professionally conserved. At the same time, the barn will receive much needed upgrades for safety, weatherization and storage improvements.

You might ask 'Why are The Alice Room art panels important and why are we conserving them?' Like so many historical buildings and pieces of art, there is a rich history behind this local cultural icon. You will be hearing more about the compelling story of this 1930's Alice Room, and can go to the Cary Library website: [cary-memorial.lib.me.us](http://cary-memorial.lib.me.us) for updates on the project.

We look forward to your enthusiasm and support as we move forward to preserve this Wayne historical treasure for the enjoyment of generations to come...

EASTERN RIVER PRESERVE  
PROPERTY DEDICATION**

On Saturday, April 27 at 1 p.m., as part of Earth Month, the Kennebec Land Trust will celebrate their newest land acquisition, the 22-acre Eastern River Preserve in Pittston. The public is invited to celebrate with KLT and the land donors, Judy Schuppen and Phil Brzozowski.

The Eastern River Preserve features over 3,000 feet of frontage on the Eastern River. A 14 mile-long tributary of the Kennebec River, the Eastern River starts in East Pittston at the confluence of its west and east branches, and flows southwest past the historic village of Dresden Mills into the Kennebec River. Located off of the Blodgett Road in Pittston, this KLT Preserve will be managed to protect wildlife habitat and water quality, for low impact outdoor recreation, and for nature observation. This spring, KLT stewardship director Jean Luc Theriault will be constructing a new trail on the property that will lead to a tidal, hand-carry access point and scenic overlooks on the Eastern River. Please contact the KLT office with any questions, 207-377-2848. Visit our website, [www.tkltr.org](http://www.tkltr.org) for directions and more information.

**AGING AT HOME NEWS APRIL 2019**

Hello from Aging At Home,

Our volunteer training will take place on Wednesday April 3, at 9 AM, downstairs in the Cary Library. If you would like to learn about volunteering for AAH, call and ask questions.

The next lunch for elders and others will be Wednesday April 10, at (back to the old time) 12 NOON downstairs at the library. Come join us for a couple hours of companionship and a tasty lunch. It’s free to everyone.

We are still delivering sand to those who need it. If your bucket is empty, call and we will refill it.

Tai Chi is still “playing” on Fridays 11-12 noon at the Ladd Center.

Coffee and Conversation continues at the Ladd Center, the second and fourth Mondays of the month 10-12 noon. Come and have coffee and a muffin, play card games or board games, or just visit with your friends and neighbors.

We want to say a huge THANK YOU to Trent and Alicia Emery and Emery Farms for donating this summer several farm shares to elders in Wayne. Aging At Home appreciates the wonderful donation, as do the recipients.

If you would like information on what AAH is doing, if you would like calls or visits from someone in the community, get in touch with us.

**WAYNE AREA GARDEN CLUB**

The Wayne Area Garden Club meets January through May and in September and October at the Ladd Recreation Center at 6:30 pm (come early for socializing) on the fourth Thursday of the month. Dues are \$12.00 per household per calendar year. Everyone is welcome. We would be happy to have you join us.

**Next meeting: Thursday, April 25, 2019 at 6:30 pm** at the Ladd Rec Center on Gott Rd. Come early. **Edith Ellis** will show slides, **"Gardens of the Northwest."**

**WAYNE STRAWBERRY FESTIVAL**

Between the strong local interest and community economic opportunity of the Annual Holiday Stroll, we been thinking about an additional annual (hopefully) event. After considering a number of different ideas, a Strawberry Festival gained a lot of interest. If there is enough community and vendor interest, it would be Saturday, July 13th. This would likely be a joint effort of Sustain Wayne and the Wayne Farmer’s Market.

While there is still a lot of planning to do, the festival would be located at Memorial Park and we are in hopes to have food and craft vendors, area organizations offering an activity and sharing information about their cause, and games and contests. Jam making contest? Pie Eating contest? Let’s decide together! Join the planning committee!

If you or your organization is interested in taking part in the festival, or if you’re interested in volunteering, contact Tammy Birtwell at [birtwellfarm@yahoo.com](mailto:birtwellfarm@yahoo.com).
